

Homework — Day 9

You've built it. Now you have to make people care in 3 minutes.

Theme: The Pitch • Time: 2 hours

YOUR MISSIONS

01 Deck v1

Build your 5-slide deck in Gamma. Ship it, don't perfect it.

02 10 rehearsals

Pitch to AI 5 times. Pitch to real humans 5 times. Time each one.

03 The 3-minute cut

Record yourself. Watch. Cringe. Cut 30 seconds. Record again.

REFLECTION — WRITE, DON'T THINK

☐ What's the single sentence you want everyone to remember?

☐ Where in your pitch do you lose energy? Cut it or fix it.

☐ What's the toughest question you might get? Write a killer answer.

BONUS ROUND

Pitch to someone who scares you — a parent's boss, an older cousin who's a founder, a teacher you admire. Whatever they say is gold.
